SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd drink their bathwater, bear their children, or just that you have a secret crush on them.

I'm writing to tell you how much I liked your issue with Nautica on the inside, but there were definitely not enough pages of her. What a stunning creature she is. I wish she was somewhere where I could adore her, even from a distance. And she was really hot as she was being fucked by that guy. Man that was really sexy, and she's got a great body and seems like she likes giving head. That was the best part for me. It actually looked like she was liking what she was doing and what was being done to her. She seemed totally uninhibited. None of the girls I've dated act this way. Why can't I meet girls like these? Thanks anyway!

— Chris B., Massachusetts

When the last issue of Swank came out, I literally creamed in my pants with the pictorial Shyla and Capri. Now, you understand that I look at thousands of sexy pictures every year and see all sorts of women, but these two are by far some the most beautiful sapphos I have ever seen. And the things they do to each other are hotter than hot! There was so much good stuff that it was hard to pick which of the pictures I liked the best. I, myself, have never spoken to a beautiful lesbian, and knew she was one. If I could and knew she was gay I'd ask: "What's it like to be with another beautiful woman? Does she smell as nice as she looks? Did you like your asshole licked? Did you like licking her asshole? Do you miss a penis or a man when making love?" Wouldn't you?

— Jordan M., Georgia

WHAT'S OR WHERE'S THE WILDEST SEX YOU'VE HAD

We've all done it somewhere where we shouldn't or with someone we shouldn't or got freaky-deaky at the wrong time or place.

These ladies tell us their secrets...

We've seen lots of sex on the screen

but most of it is pretty repetitious and bland. Lots of oral sex and lesbian action, but where's the really hot, hot, hot stuff. Like the couple that did it hanging from a mountain climbing rope. Now that's an adventure.

I did it in the back of a cab in New York City.

Oh yeah, I've seen the videos online about these cab fuckings, but they're all staged, even the ones done in Europe. But for me, I really did it in a cab ride from Manhattan to Staten Island. It was Late November and I was going back home with my boyfriend after we saw a Broadway show. We hailed a cab in front of the Hudson Theater and headed down Broadway. By the time we got to the Bowery area I had bet my man that we could fuck in the cab and not get caught. And who would care if we did. So when we hit the Brooklyn-Battery tunnel, I had my panties off and pulled his cock out of his pants. Since it was winter, We had large coats on so there was plenty to hide behind. We just had to muffle our voices. So by the time we had come out of the tunnel and into Brooklyn, we had positioned ourselves for the 'deed.'

He moved over to the corner of the seat behind the driver to be harder to see. Initially I was a bit hesitant but decided to go ahead anyway. We agreed we'd do it on The Verrazano Narrows Bridge. As the cabbie entered the on ramp to the bridge, I edged my bare butt over to his hard-on and lifted slightly so he could guide it in. I sat on it and started grinding since going up and down would be pretty obvious. I tried to act normal and converse about the play in case the cabbie was listening. We did this all the across the bridge and by the time we hit Staten Island, we were both even hornier. He whispered he was about to come so I carefully got of him, grabbed his cock and finished him off so he could cum in my panties. We finally got to my door, paid the cabbie and ran inside and off to bedroom.

In a horse stable with the horse watching.

My husband was a horse trainer in Lexington Kentucky and one day he had finished grooming the latest racehorse to join the stable. I watched from the open stall door at this marvelous hunk of a man I had just married as his bare chest and strong arms glistened as he brushed the chestnut mare. When he finished, I walked over to him and complemented him on a job well done. I whispered that watching him was a real turn on and I wanted him here in the stall. At first he hesitated, but when I began to unbuckle his big belt and unzip his pants. I rubbed up and down on his pants before grabbing his cock and pulling it out. It wasn't as hard as it will be but that gave me enough time to drop my undies and hike up my shirt. I put both hands on

the stall's half-wall and stuck out my butt. My husband positioned himself behind me and stuck his cock into my wet pussy. We fucked like that for a few minutes before he pulled out and told me to get down on the hay. I complied and he laid on top os me thrusting like he hasn't done since the honeymoon. I felt a rustling in the stall and looked over his shoulder to see the horse watching up. Her head was bobbing up and down as if approving what we were doing. We both came right there on the stable floor. That was very exciting.

In a blind while duck hunting.

I live in Wisconsin and enjoy duck hunting with my boyfriend and his retriever, Skully. One day last week we had been sitting in the blind for three hours with no action. I told him I'd give him some action and unzipped his camo pants and started sucking his cock. It was hard in to time and he came in five minutes!

WorldMags.net

In a police car, really.

Don't judge. My husband is a cop and we do police things all the time in our lovemaking. Like role-playing cops and robbers, using handcuffs, naked interrogations, but we had never done it in his cruiser. When I suggested it, he hesitated and told me it was not a good idea. I pressed him and told him I'd needed to be arrested. He finally agreed and brought it home at lunch time and immediately "arrested" me and put me in the back. I had short shorts on and flashed him when I climbed in. He took off his service belt and then serviced me.

My wildest sex was looking for bigfoot.

I know you probably don't believe me, but it's true. My girlfriend is a big believer in Sasquatch. I'm not, but I agreed to go with her and one of the bigfoot club's outings into the deep woods outside of Tacoma. We packed all our camping stuff and headed out for a three day and night surveillance trip. They did the typical howls and wood knocks, but nothing was returned. The third night was still young when she and I feigned stomach aches and the rest of the crew went out into the woods. The campfire was blazing and we settled into our tent and after a few minutes decided to play around. I was worried about the guys coming back, but she was worried we'd be caught by bigfoot. We laughed and started kissing. We were naked except for out tops and socks. We were deep into sixty-nining when an ominous shadow came across our tent. She saw it because she was on the bottom and I immediately sat up. We dressed and sat there with our knees drawn up rocking back and forth.

Pornstar Interview

Ash Hollywood

For a Minnesota girl, you seem to have fit yourself right into this Hollywood lifestyle.

Well, I've been here for four years so I'm feeling more like a native now. I can get around pretty easily, although the San Fernando Valley is still a little difficult for me.

Did you come out here to do porn or did you start when you got here?

I came out here to do adult movies because I love sex and both men and women. Where I was made it a little difficult to express myself the way I wanted to.

Okay Ash, here it comes. What attracts you most about a man?

I like guys with personalities, big hearts, and big cocks. I know it sounds cheesy, but I do. I like men who both respect and know how to please a woman. Plus, he has to have great smile and a know how to play a good game. He also needs to have plenty of swagger and be really good in the bedroom.

What's something that turns you on about a man?

I'm the type of girl who needs a lot of affection and I love a man who likes the same thing. I like it when a man kisses and touches me every chance he gets. It doesn't have to be sexual; just being comforting can go a long very long way with me.

And what turns you off?

Stinky breath turns me off much quicker than a light switch. If you can't get close to his face, how can you kiss and cuddle. I'm also

turned off by guys who talk and talk and talk. I talk a lot and he shouldn't talk more than me.

How do you get into the mood for sex?

Foreplay is the number one thing. You have to put some work into it. No wham, bam, thank you maam with me. It helps if you touch me everywhere – slowly. Now that gets my juices flowing.

On a scale of ten, how would you rate your sex drive?

My sex drive is really, really strong. I'm in my prime and I think about sex a lot and need to be constantly fucking! There were men I had to break up with because they couldn't keep up with me.

What's the hottest and wildest sex you've ever had?

It was two guys and me. We were in college and at a frat party. We all were pretty loose and went into the back yard by the swimming pool and got it on. It didn't last too long because we got discovered, but was it hot!

How many times have you made it with women?

I really don't keep score. Women are great lovers.

Do you consider yourself a bisexual?

Yes, I probably do. That's just how I am and I like it.

Is there anything special you do to please your man in bed?

I've been told that I'm really good at giving head. That's always been a huge turn-on for guys. My mouth is very active. I like to deep throat and I like to suck on their balls. It drives them crazy and they seem to get off better.

Are you a big fan of receiving oral sex?

I'm turned on by giving but I also love getting it. You have to show your man how to please you down there. Men like to rush things and I end up getting sore, but slow and easy will win my heart every single time.

What's your favorite position?

I like getting it from the back, doggie style. Men like to feel in control and this position lets them do it. Plus they like to play with my asshole at the same time.

What's your ultimate fantasy?

I think I've pretty much done it all!!!
